R. GEORGE BENEDICT LAWSON was born in Brooklyn, New York, the son of Albert B. Lawson, distinguished minister. He entered Brooklyn Polytechnic Institute and was graduated in the class of 1884. He matriculated at Colgate University and became a member of Delta Kappa Epsilon fraternity. He was graduated in 1888 with an A. B. degree and entered Union Theological Seminary. Upon receiving his diploma from this institution in 1891 he went abroad and studied at the University of Bonn. He later returned and did graduate work at Columbia and Colgate, and from

L'AGENTA

In 1893 Dr. Lawson entered the ministry, serving churches in Bennington and Brattleboro, Vermont, for fourteen years. Turning to education in 1907, he became principal of Vermont Academy. Here, among many other things, he established the Academy's winter carnival.

this latter university he received his A. M. and D. D. degrees.

From 1916 to 1922 Dr. Lawson taught at the Pennsylvania College for Women, serving as professor of Education and Philosophy. The war found him a lieutenant, assigned to the Tank Corps.

In 1922 he was on the staff of New York University, and the following year he succeeded Dean Llewellyn Phillips as a professor at Bucknell. Here Dr. Lawson has been active in committee work, he has helped to bring about numerous constructive changes in the curriculum, and he has helped to introduce many new ideas which have contributed to the advancement of Bucknell.

L'AGENDA TOTA

LEWISBURG, PA.

OFFICE OF THE PRESIDENT

There is much in a college besides the faculty and the curriculum. It is often observed that a large part of student activities and interests lies outside of that realm. Much of it is not only of interest to student life, but significant and valuable.

The total record of college life should include these. To this purpose L'Agenda is dedicated. Those who are acquainted with the college will find in it important parts of the total picture.

#### SENIOR CLASS OFFICERS

## Senior Class History

S seniors, we have only retrospection. But our memories are happy ones; we may be justly proud of our record.

With us, four years ago, "Freshman Week" was initiated. Since then, we have seen new changes everywhere, indicative of progress.

As freshmen and sophomores we won each class scrap, a noteworthy achievement. The class of twenty-nine has produced many athletes, and we have contributed leaders in other fields. The initiative shown in our first years has continued through our entire career.

We have made mistakes, we have paid for them, we have gained experiences.

#### Junior Class History

OLLY JUNIORS" are we, indeed, the class of 1930.

Although "nobody ever cultivated us", we have not in the years of our college career, shirked any responsibility.

United we stood as a class unit through all our successes and defeats, realizing that our special field was to be found elsewhere. United we remain despite the loss of a few members each year and the untimely death of Paul Slifer during our freshman year.

Nonchalant we become, through the evolution of time, from timid, green frosh, through the quickly acquired wisdom, sophomores, to our present state in which we are now realizing that our college life is three-quarters completed and that we must make the most of the remaining time allotted to us.

Interested we have been in all types of activities, including athletics, activities, and fields of service.

Optimistically we look forward to making our next and last year the best ever.

"Ready to do and dare" has been our motto. We entered hitherto closed doors as pioneers. It was the class of 1930 that set the precedent of awarding blankets to varsity-letter men. It was at our suggestion that freshman rules were reinstated.

## Sophomore Class History

A NOTHER sprig of ivy on the classic walls of Old Main! Just a tiny insignificant green bit compared with the masses of ivy already climbing upward. Some have reached the top; others almost there, some a little farther down; and down near the bottom is the class of 1931. But, like the old and sturdy stock clinging to the wall, this particular bit of ivy is shooting upward, striving for the bigger and better things of life.

Time passes quickly, taking with it a brief fleeting year of happy college life. The vine has grown steadily, shooting forth in all directions, and showing the diversified interests and talents of the group it represents. One branch has wilted — the class scrap lost to our honorable brothers, the Frosh. Other tendrils climb proudly — representing a victory in the class scrap and a tie in the class football game of our freshman days. Still other branches represent our high attainments at Bucknell. Even its leaves are brighter, colored with a more intense and deeper hue — ah! the depth and intensity of this class!

### Freshman Class History

BEHOLD us, the youngest and most insignificant constituent of this noble university! We began our college career with anticipation, timidly and little if any self-assurance. The better part of the equipment which we brought with us was composed of hope and an unquenchable eagerness. College was a dream about to be realized; a romantic and idealized place which we were at last attaining.

During the course of our first year we have lost, by the process of "deflation" some of that effervescence of spirit. There have been disappointments and the bottom has rudely dropped out of many of the silly dreams we so fondly cherished. But in exchange for these things we have gained a certain steadfastness of purpose, and understanding of truths, and an association with our fellow-students which is invaluable.

We have worked throughout the year, vigorously and determinedly, and this diligence, on our part, has brought us more than good grades, a good reputation for industry, and knowledge. It has helped us to realize, believe in, and staunchly unhold that indefinable and truly wonderful thing called "Bucknell spirit". We may be merely freshmen but we realize to such a great extent the value and the innumerable treasures that college holds for us that we cannot but use to the best of our ability every faculty we possess in showing our love for and our faith in our Alma Mater.

## Delta Sigma

On January 27, 1899, with a charter membership of seven men, there was founded the Demosthenean Club, a literary organization whose chief aim was primarily the fostering of literary excellence and oratory. By the year 1901 some individuality as an organization had been developed, and on May 11, of that year, the present name and insignia were adopted. This organization, now one of the oldest locals in the country, boast of 210 alumni. The pledge button, a black disc, upon which a gold trumpet appears, is worn by fourteen pledges.

# Tau Kappa Alpha

Tau Kappa Alpha, national honorary oratorical and debating fraternity, was established at Bucknell in 1920. Wherever the key is found, it stands for recognized merit, for membership in the society is granted only for outstanding achievement in the field of oratory or debate, plus unquestioned standing in the active life of the college community. The Bucknell chapter has received honorable mention from the national headquarters for its outstanding efforts in the two fields over which Tau Kappa Alpha rules supreme.

# Sigma Beta Chi

With the purpose of creating and fostering a professional attitude toward the science of chemistry and its wide-spread industrial field, Sigma Beta Chi was founded on October 14, 1927. Meetings are held twice a month with the alternate meeting given entirely to the presentation of scientific papers, reports, and short talks, delivered by various members, on divers aspects of the chemical field. In this manner individual research into the literature of chemistry and the chemical industry is carried out, with the result that the members gain a more profound professional viewpoint toward the chemical science.

## Women's Student Senate

The Student Senate consists of two representatives from each women's social group on the campus, including seven seniors, five jumors, and four sophomores. Each woman student is automatically a member of the student government and all women elect the representatives on the executive board. The president, a senior, is elected by popular vote at the beginning of her junior year.

# Cap and Dagger

Cap and Dagger, the men's dramatic society, was founded in February, 1906. The object of this organization is to create an active interest in, and to foster the production of dramatics; to this organization is to create an active interest in, and to foster the production of dramatics; to train its members in the art of acting; and to lead the student body of Bucknell into an appreciation of the best that the field of drama affords. The members of Cap and Dagger are chosen by open competition in the fall of each year; the student membership of the organization never exceeds fifteen. Two standard three-act plays, and one group of one-act plays are attempted each year. For the last four years, a one-act play has been sent, in cooperation with Frill and Frown, to the Pennsylvania Intercollegiate Dramatic Association contest. The first play received second prize, and the next two have received honorable mention.

# Big Four Engineering Society

The Big Four Engineering Society is composed of the Civil, Electrical, Chemical and Mechanical Engineering societies. Each society retains its own individuality, but all work together for mutual benefit under the head of the Big Four Society.

The prime purpose of the society is to engage lecturers along the various industrial lines to come to Bucknell and speak before the society, thus broadening the outlook of the men and making them acquainted with outside industrial conditions. During the year the society holds several social functions.

The governing body consists of a cabinet formed by two students and one faculty member from each of the engineering societies.

# American Institute of Electrical Engineers

The American Institute of Electrical Engineers is the national organization representing the electrical engineering profession. It was founded in 1884, when the possibilities which might follow from an organization which would foster and encourage electrical development were beginning to be realized. The objects of the Institute are the advancement of the theory and practice of electrical engineering and of the allied arts and sciences, the maintenance of a high professional standing among its members, and the development of the individual engineer.

On May 17, 1910, the board of directors of the American Institute of Electrical Engineers authorized the establishment of a branch at Lewisburg to be known as the Bucknell Branch of the American Institute of Electrical Engineers. Some of the major activities of the branch are as follows: technical meetings at which papers are presented and lectures given by men prominent in the profession, educational motion picture entertainments, special laboratory demonstrations, joint meetings with other branches, inspection trips, and electrical shows.

### May Day

A N important tradition at Bucknell is the choosing of the May Queen, who is a senior, elected by the popular vote of the women students. Her attendants are selected from members of the senior class by the May Day committee.

Last year May Day was held on Saturday, May 12, when Ruth Cooper, of Allentown, was crowned queen. The performance, which was witnessed by about eight hundred people, took place on the front campus, opposite the president's home.

The queen was crowned at the beginning of the ceremony by Kathryn Smith, May Queen of the previous year. After the coronation the sixteen Grecian attendants and four pages sat about the throne while "The Dawn Princess", a dance drama, was performed for the entertainment of the queen. The plot of the drama is as follows: The princess, influenced by a witch disguised as a friend, goes in search of a magic tree and together with her maidens, becomes lost in the woods. The prince breaks the spell, vanquishes the witches and triumphantly returns to the court with the missing princess. Group dances were given by clowns, confetti girls, gnomes, gypsies, scarf dancers, and flower sellers. The conclusion of the program was the presentation to the queen of a lovely bracelet, the gift of the women students.

# Bucknell 7--Schuylkill 0

BUCKNELL UNIVERSITY'S 1928 football season officially opened on September 29 with the sturdy little Schuylkill team, which later proved to be one of the best small-college elevens in the East. Bucknell played a conservative game throughout, using only a limited number of plays, but by superior strength finally pushed a touchdown over the enemy goal. Jones, fleet halfback, accounted for the six points and Captain Halicki added the extra point.

Held scoreless in the first half, the Orange and Blue clad warriors came back with a vengeance in the last two periods. The entire line revealed exceptional strength, which aided Captain Halicki and his backfield mates to tear off several substantial gains. Bollinger was injured and forced to leave the game. Halicki sustained a broken nose in the second quarter, which also necessitated his retirement. He returned in the third period, however, in time to add the extra point after the touchdown had been scored.

Schuylkill men fought desperately throughout the entire game, and though they never seriously threatened the Bison goal line, they provided the Bucknell rooters with a number of uncomfortable thrills. However, the Bisons were ever the dominant figures on the field and retained a confidence bolstered by the knowledge of certain "tricks up the sleeve" which might be called into play if necessary.

### Bucknell 13--Geneva 7

N the first Saturday in October the Bisons left the home stamping grounds to migrate to Geneva College where they again stampeded the enemy to a 13 to 7 victory. However, although Bucknell won, it was something of a Pyrrhic victory, for the team lost the services of Mose Quinn, star quarterback and hero of the 1927 State game. Mose, while attempting a line buck in the third quarter of the game, received a broken ankle which caused the passing from the football field of one of the finest and best athletes that ever carried a pigskin for his Alma Mater.

Although Quinn was lost to the team for the remainder of the season, another star was unearthed that day at Beaver Falls, Justin Brumbaugh. Brumbaugh personally conducted the scoring by dashing around end in the second quarter for a fifteen-yard run and a touchdown, and again in the third period running sixty-five yards for another six pointer. Hambacker added the extra point to the first touchdown. Geneva scored late in the final quarter when a series of line bucks accounted for her only score.

The game, although ending in a victory for Bucknell, was a struggle throughout. The ball see-sawed from one end of the gridiron to the other, each team alternating in threatening the goal line of its opponents. A muddy field slowed up a game which otherwise would have been a football classic.

# Bucknell 6--Penn State 0

THE Bisons, fresh from victories over Schuylkill and Geneva, invaded the lair of the Nittany Lions at State College on October 13, and for the second straight year registered a victory. Captain Halicki's savage line thrusts were too much for the Penn State linemen, who bowed to the strength of Bucknell's leader. Halicki fairly tore to shreds the forward wall of the State defense until, after a long and thrilling march down the field, he carried the ball over the goal line for the only score of the game.

Mitchell, as well as his captain, demonstrated power on both the offense and defense. It was he who turned the Lions back when they were on the point of scoring. Mitchell tackled Hamas, State fullback, on the one-foot line, causing him to fumble and thus lose the only chance to score. Hambacker recovered the ball and Ellor punted to safety.

The line, including Bollinger, Truxel, Wadsworth, Jones, Mitchell, Woerner, Ellor, James, and Lobel, contributed much toward winning the game, and the backfield, composed of Captain Halicki, C. Jones, Brumbaugh, and Hambacker, worked smoothly at all times.

# Bucknell 0--Lafayette 0

L'AGENDA

OMECOMING DAY attracted 15,000 spectators to the Memorial stadium where the Bucknell Bisons and the Lafayette Leopards fought to a scoreless tie. The Maroon, with three overwhelming victories to its credit, hammered and knifed at the Bucknell line the entire afternoon, but never once penetrated to the Bucknell line. That day the Bisons put up the most brilliant exhibition of defensive play ever witnessed at the Memorial Stadium.

The Leopards threatened to score six times during the contest but their attempts were always smothered by the courage and brawn of Bucknell's undefeated team. Twice Lafayette tried to make a field goal but each time the attempt failed. However, her concentrated line attack reaped her a harvest of seventeen first downs as over against five for Bucknell.

The Bucknell players deserve much credit for the manner in which they turned the enemy back in the shadow of the home goal. Time after time Lafayette battled her way down the field but each time the Bisons tightened and held their opponents for downs.

Captain Halicki and Mitchell together with Bollinger and Woerner were the defensive stars of the Bison squad, while Captain Guest and Chimenti carried the brunt of the attack for Lafayette.

# Bucknell 12--Gettysburg 14

BUCKNELL'S dreams for a championship season were rudely shattered at Gettysburg, on the last Saturday in October, by Coach Bream's Bullets. The Battlefield warriors were outplayed in all departments of the game but the winners took advantage of several Bucknell miscues and turned an almost certain defeat into victory.

The Bisons scored two touchdowns in the first half, Captain Halicki and Slate each taking a trip over the enemy goal line. In the second period Halicki was again a victim of the injury jinx and was forced to the sidelines. Ellor was also on the bench recovering from an injury sustained in the Lafayette encounter. In the matter of first downs registered, Bucknell clearly outplayed its rival. The Bisons accounted for twenty-one first downs to the five accumulated by Gettysburg.

A long forty-five yard pass by Gettysburg late in the fourth quarter resulted in the scoring of the winning touchdown. Spangler, Bullet halfback, provided his teammates with the margin of victory by successfully drop kicking both extra points after the pair of touchdowns had been scored.

#### Bucknell 6--Villanova 20

N the football classic of the anthracite regions at Scranton on the first Saturday in November, a powerful Villanova eleven vanquished the Bucknell Bisons, twenty to six.

Bucknell scored first when Slate ran for a touchdown after Ellor had recovered a blocked punt. Before the end of the first half Villanova had forged into the lead by virtue of a touchdown and an extra point. The winners clearly outplayed their rivals during the last two periods and increased their lead to 20-6. The last Villanova score came after Morgan, fleet Wildcat back, had made a sixty-five yard run to cross the last chalk mark.

Captain Pessalano, of Villanova, with Jones, Bison guard, contributed the defensive highlights of the game.

Although injured, Captain Halicki played the entire game and did creditable work on both the offense and the defense. Halicki was Bucknell's biggest ground-gaining threat, while Mitchell distinguished himself by his fine work on the line.

AGENDA

## Bucknell 40--Lehigh 0

A determined Bison team completely outplayed a game, but weak Lehigh grid team, being able to score almost at will against their opponents. When the whistle ended the game, the final score stood 40-0 in Bucknell's favor. Justin Brumbaugh crossed the goal line three times, and Captain Halicki, Slate, and Konkle accounted for the other three touchdowns. Halicki was successful in four tries for the extra point.

The game was featured by the playing of Tony Slate. His line plunging and pass receiving made him an outstanding figure during the contest. He topped his fine playing off with a beautiful 35 yard run through a broken field for a touchdown.

As usual, "Ted" Mitchell played a great game on the line. Time after time, he opened big holes in Lehigh's line to enable the backs to make substantial gains. Bucknell's last touchdown came when Jim Konkle, a substitute back, on a fake end run outwitted the Lehigh team, and crossed the line for a touchdown.

### Bucknell 0--W. & J. 0

L'AGENDA

N a muddy and treacherous field at Johnstown, on November 17, Bucknell and Washington and Jefferson battled to a scoreless tie. Both teams had an excellent chance to score but neither was able to summon enough reserve strength to carry the ball over the line for a touchdown. Bucknell's bid for a score came early in the fourth period when Captain Halicki's men advanced the ball to the Washington and Jefferson three-yard mark. Four thrusts at the line netted the Bisons but a few inches, thus causing them to lose the ball on downs.

Shortly before the final whistle blew, Washington and Jefferson threatened to score when a fury of dazzling forward passes advanced the ball to Bucknell's four-yard mark. However, the Bucknell eleven held like a stone wall and the enemy was forced to surrender the ball on downs.

Captain Halicki was Bucknell's chief grounder gainer, the Hanover lad crashing through the enemy line almost at will. Late in the third period he attempted to kick a field goal from the 30-yard mark. The boot went wide of its destination.

Bucknell gained five first downs while Washington and Jefferson was able to make only four.

### Bucknell 33--Dickinson 0

N the Saturday before Thanksgiving the Bucknell Bisons traveled to Carlisle where they soundly trounced the Dickinson gridders, 33-0. Coach Snavely employed his second team during the greater part of the game, evidently saving his regulars for the Temple game.

Bucknell's backs found the Dickinson line easy to plow through and during the game the Bisons managed to register five touchdowns. Captain Halicki, Jones, Woodring, Slate, and Ammerman each crossed the enemy line once for a score.

Halicki kicked the extra point once while Woodring and Ross each booted a point after touchdown.

This victory was Bucknell's third win over Dickinson in the past three years. In 1926 Coach Moran's men chalked up a 14-6 victory while last fall at the Memorial Stadium Captain Diehl and his teammates overwhelmed the Lawyers 46-0.

### Bucknell 7--Temple 7

LACENDA

A sensational 35-yard pass from Justin Brumbaugh to Andy Lobel in the last two minutes of play enabled the Bucknell football team to score a touchdown and tie Temple 7-7 at the Memorial Stadium on Thanksgiving Day before 8,000 frenzied fans. Captain Halicki brought his Bucknell football career to a close in a blaze of glory by kicking the extra point that assured the Bisons a deadlock with their Temple foes.

Temple had scored first, early in the first quarter. A blocked kick gave the visitors the ball on Bucknell's 30-yard line. Captain Gugle whipped a long pass to Wearshing who was down on Bucknell's three-yard marker. Wearshing carried the ball over the line for a touchdown on a triple pass and Bonner added the extra point with a placement kick.

Bucknell held the upper hand in the matter of first downs registered, chalking up nine to the four accumulated by the visitors. Bucknell and Temple made most of their gains through the air as both elevens had powerful lines.

The Temple game marked the close of the football careers of Captain Halicki, Jones, Woodring, Walls, and Mitchell.

## Theta Upsilon Omega Basketball Team

A fighting band of Theta Upsilon Omega courtmen dethroned the Lambda Chis as interfraternity basketball champions by defeating the Sigma Alpha Epsilon quintet in the finals. Three games were played before the winner was decided. The TUOs captured the first contest by a 23-20 margin while the SAEs came back strong to win the second tussle, 19-16.

Led by their great captain and center, Ramon DeFillippo, the Theta Us conquered their adversaries in the "rubber" game by a 28-17 advantage. In the semi-finals the TUOs vanquished the Lambda Chis while the SAEs took the measure of the Phi Gamma Deltas.

The members of the winning team are: Captain DeFillippo, Ibner, Doty, Fleming, Griffith, Bridegiun, Beckerman.

## Non-Fraternity Soccer Team

The Non-Fraternity soccer team won the 1929 interfraternity cup by defeating the Theta Upsilon Omega booters in the playoff for the title. After a hard fought struggle the Non-Frats came through with a thrilling 2-1 victory. The championship non-frat squad was composed of the following members: Captain Guidotti, Franzino, Siminetti, Lepore, Cicero, Borrella, Glazier, Dietrich, Cipko, Peifer, Kozik, Weinstein, Haines, Force, and Jablonski.

Bucknell University's second intercollegiate boxing team registered three victories in four starts during the 1929 campaign. Coach Plant's punchers gained triumphs over the ring representatives from Manhattan, Pennsylvania Military College, and Temple. Their only defeat was sustained at the hands of Catholic University. Three Bison boxers, Lou Mutzel, Irank Storaci, and Captain Frank Lepore, won all their bouts, each fighter winning four engagements. The Bucknell ringmen won a cup donated by the Penn A. ### Dedication of Memorial Gateway

THE highest officials in the baseball world gathered at the Memorial Gateway on June 5, 1928, to pay tribute to the great Christy Mathewson. Present before a large and colorful crowd were Kenesaw Mountain Landis, czar of baseball; President E. S. Barnard, of the American League; President John Heydler, of the National League; Charles N. Stoneham, President of the New York Giants; Samuel Breadon, President of the St. Louis Nationals; William Veeck, President of the Chicago Cubs; Lewis Widrig, Treasurer of the Cincinnati Reds; Barney Dreyfus, President of the Pittsburgh Pirates; Clark Griffith, President of the Washington Senators; Thomas Shibe, President of the Philadelphia Athletics; Cullen Cain, Publicity Director of the National League; Judge Emil Fuchs, of the Boston Braves; and several other men who are familiarly associated with organized baseball.

The dedication services were opened by President Emory Hunt of Bucknell University at 2:30 P.M., who delivered a short introductory speech and then presented Judge Landis. The czar of baseball then thrilled his audience with an eloquent and inspiring talk about the greatest figure of the national game, Christy Mathewson.

Judge Landis spoke of Mathewson's associations with sport and his influence upon baseball, his fight with the dreaded disease, and his life as a soldier. He also spoke of his personal contacts with Mathewson and ended his talk by declaring that "Big Six" was a man possessed with skill, fidelity, devotion, and intelligence.

Dr. J. H. Weaver, of the Bucknell Board of Trustees, delivered the address of acceptance. Following this the tablets were unveiled and the dedication ceremonies concluded.

#### 78th Annual Commencement

RESIDENT AVERY A. SHAW, of Denison University, delivered the Commencement address to the seventy-eighth graduating class of Bucknell University, on the morning of June 6, 1928. Following the precedent set two years ago the exercises were held in the Quadrangle.

President Emory W. Hunt, Dean Romeyn H. Rivenburg, Dean Amelia E. Clark, and the honored guests and their introducers occupied the platform in front of Carnegie Library. The guests occupied the front row on the side of the platform to the right of the president. The trustees and the clergy were immediately behind them.

President Shaw's address, on "The Art of Living", was followed by the conferring of degrees in course. Those receiving honorary degrees and their introducers are as follows:

Dr. William Devitt, for Sc.D., by Dr. R. M. West.

The Rev. Joseph E. Perry, for D.D., by Dean R. H. Rivenburg.

Dr. S. Calvin Smith, for Sc.D., by J. Heisley Weaver, LL.D.

#### Warner-Zuppke Coaching School

L'AGENDA

DURING the first two weeks of July Glenn "Pop" Warner, football coach at Leland Stanford University, and "Bob" Zuppke, football coach at the University of Illinois, conducted a coaching school on the campus of Bucknell University. The school was attended by a good-sized delegation of Pennsylvania coaches, who were mingled with mentors from almost every state in the Union.

Classes were held each day on the hillside of the old athletic field, the tutors presiding over a large movable blackboard at the foot of the hill. Occasionally they were called on for demonstrations of methods of tackling, blocking, interfering, and running with the ball.

#### Convocation Exercises

THE academic year officially opened on the morning of September 20 when faculty and students gathered together in Commencement Hall for the annual convocation ceremony.

According to custom, the faculty, resplendent in cap and gown, marched to the auditorium through a guard of undergraduates who lined the path leading from the Chemistry Building to Old Main. According to the same custom the classes entered the auditorium in order of rank, the seniors leading.

A choir consisting of eight women and four men rendered a familiar and favorite hymn, and this was followed by a short scripture selection read by President Emory W. Hunt. The latter introduced the speaker of the day, Professor William H. Eyster.

Professor Eyster spoke about the German universities, their history, courses of studies, social life, and present tendencies. Talking in a deliberate, conversational tone, the speaker presented an impartial panorama of the higher scholastic life of Germany.

At the conclusion of the address Miss Melicent Melrose surprised President Hunt by singing a song about him, composed by Professor Emeritus W. C. Bartol. Professor Paul G. Stolz wrote the music for the song.

#### State Victory Bonfire

L'AGENDA

BUCKNELL students celebrated the second consecutive victory over Penn State, Monday evening, October 15, the feature of the night's program being a great bonfire. The entire student body at Bucknell was present when the celebration was at its height.

Preceding the bonfire there was a parade through the streets of Lewisburg, after which the crowd marched to Loomis Field where the real celebration took place. Before the students gathered around the huge pile of wood, they traveled en masse to the Ziegler Infirmary where they cheered Mose Quinn, disabled quarterback.

Then the crowd returned to the campus, where speeches were delivered by Captain Halicki, Head Coach Snavely, Line Coach Hangartner, John Plant, "Mal" Musser and Professor J. P. White.

The members of the football eleven touched off the fire immediately after the last of the speeches, and soon a roaring blaze rose high. It was midnight before the fire had died out.

About 2000 visitors attended the celebration.

#### Annual Education Conference

L'AGENDA

 $B^{\text{UCKNELL UNIVERSITY'S third annual Education Conference, opening}}$  with a general session on Friday afternoon, October 19, at two o'clock in Bucknell Hall, was presided over by President Emory W. Hunt.

Dr. Hunt opened the conference with a greeting to the large audience, composed mainly of prominent educators, teachers, and students of the University.

The first speaker introduced to the assembly was Dr. Charles C. Fries, professor of English at Michigan University, who spoke convincingly and sincerely upon his subject "Conflicting Educational Pressures."

Following this address of Dr. Fries came a very powerful one on "The College Teacher," by Dr. David A. Robertson. Dr. Robertson is assistant director of the American Council on Education.

#### Oxford-Bucknell Debate

A ballot cast by the audience, gathered in Commencement Hall to hear the third international debate between Oxford and Bucknell, Monday evening, November 19, awarded the decision to Bucknell.

Oxford, by preference, debated the affirmative of the question: Resolved that the United States enter the League of Nations. President Emory W. Hunt was chairman of the debate.

Combining English wit with Anglo-Saxon seriousness, the visitors charmed and impressed the audience of faculty members, students, and townspeople that crowded Commencement Hall. The Oxford team was composed of Mr. A. T. Lennox-Boyd, Mr. C. S. Malcolm Brercton, and Dr. Dingle M. Foot.

The Bucknell team, Mr. Alfred Rawlinson, Mr. James W. Williams, and Mr. Clyde L. Bailey, acquitted itself very creditably.

### Bucknell-Brazil Project

L'AGENDA

THE Bucknell-Brazil project, a scheme by which the Bucknell students and faculty might aid educational work in Brazil through money contributions, exceeded the mark of \$1000. Faculty contributions totaled \$225, men students responded with \$350, while women students passed the \$300 mark. Mrs. Clara G. Sale turned over to the committee in charge \$107 as a result of a "Golden Rule" dinner held at the Women's College. Proceeds turned in by the Y. W. C. A. and other organizations brought the total well above the goal set.

#### Norman R. Thomas

Suffusion his words with a mellow humor and a crackling wit, Norman Thomas, Socialist candidate for president, and one-time Bucknell student, addressed an audience which packed Commencement Hall on Monday night, December 3, and aroused it to a demonstration of enthusiasm such as might have been expected from a crusading radical group. Although speaking on "What is Socialism," — a subject which could be expected to win little favor from a conservative college assembly in provincial Buffalo Valley — by his personality and moderation he was easily able to dissipate the bulk of his hearers' prejudices and win the admiration of even those who disagreed.

Mr. Thomas spoke of the present industrial system and the decline of individualism and with it the decline of the two old parties. He also spoke of capitalism as a thing which not only causes poverty but stifles liberty. He spoke also of capitalism and nationalism combined, by the policy of protecting private investments in foreign countries, as a cause of war.

Mr. Thomas concluded his address by quoting the famous English biologist, J. B. S. Haldane, to the effect that man has arrived where he may control his own evolution if he wants to. But he will never be able to do so as long as he confines the application of his science to such limited institutions as the hospital.

### "One of the Family"

LAGENDA

A three-act comedy entitled "One of the Family," by Kenneth Webb, was presented in Bucknell Hall, on December 10, by Frill and Frown .

The play concerned itself with a desire to uphold the family name and honor, and to adhere strictly to convention. It was a typical family setting, and in his clever interpretation of the part of the married brother, John Anderson excelled all his fellow actors. "Toots" Thomas, '29, was in her element as the young and much abused child of the family, and her natural humor and ready wit did much to lighten the more serious parts. Edna Craft, '30, provided generous entertainment between acts with her piano solos. Practice for the play was under the direction of Elizabeth Siegfried, '29, and Assistant Professor C. Willard Smith. Attention to properties and stage managing was given by Emilie Maxwell, '30, Adelade Clark, '31, and Ora Louise Cooper, '29.

However, the Bison center started the second half and performed creditably while in action. He was withdrawn from the game late in the third period because of a serious nose injury.

#### Halicki, Cardinal Pitcher

Thas been announced that "Eddie" Halicki, who captained the 1928 football team, will join the St. Louis Cardinals on June 12. Halicki has been an outstanding athlete at Bucknell for the past four years. He excelled in every sport during his freshman year and was captain of the yearling eleven. During the past three years Halicki has been prominent in three sports, football, baseball, and basketball. He is a pitcher on the nine, and it will be in that capacity that he will join the St. Louis Cardinals.

NOVEMBER ON THE CAMPUS

#### The Junior Prom

L'AGENDA

HILE saxophones moaned, flying feet sped through the hours at the annual Junior Prom held in the new dining hall for women Friday evening, February 15. More than 200 couples were on hand at Bucknell's biggest social event of the year. The prom was chaperoned by Dean R. H. Rivenburg, Dean Amelia E. Clark, and Professor and Mrs. N. H. Stewart.

"Jelly Roll" Morton and his Red Hot Peppers provided a variety of features for the dancers. Under a canopy of bright colored balloons, the colored leader and his harmony makers delighted their listeners with clever interpretations of well-known jazz hits.

The prom was the first and last dance to be held in the new "Sem" eating quarters, and it was the ideal place for so formal an affair. The hall was adequately illuminated by the skylights, and the lights at either end of the room. Wilson Rice, chairman of the committee which consisted of a representative from each of the fraternity and non-fraternity groups on the campus, was largely responsible for the success of the Junior Prom.

#### Inter-Fraternity Song Contest

THE Kappa Delta and Theta Upsilon Omega fraternities carried off the silver loving-cups at the inter-fraternity song contest, held in the Baptist Church, Thursday evening, March 14. Four men's fraternities, Theta Upsilon Omega, Sigma Alpha Epsilon, Sigma Chi, and Delta Sigma were represented in this contest. Of the women's fraternities, six were represented: Kappa Delta, Delta Delta Delta, Phi Mu, Pi Beta Phi, Alpha Chi Omega, and Zeta Gamma Tau. Each group gave three numbers: (1) a fraternity song, (2) the Alma Mater, and (3) a college song. The fraternity songs of the winning groups were "Hail, Theta U," and "The White Rose."

The church was filled with enthusiastic Bucknell students, faculty, and town people whose interest in the contest was very keen. Director Ralph Hartz was chairman of the evening, and introduced the judges who were: Dr. H. A. Allison of Susquehanna University; Miss Cunningham of Sunbury; and President I. W. Rothenberg of Sunbury.

President Emory W. Hunt awarded the cups to the winning groups and in a very effective manner expressed his appreciation of the good sportsmanship and democracy of the group as represented by the audience.

## Pan-American Conference

L'AGENDA

THE Pan-American Conference, a gathering of students and professors from Latin-America at Bucknell, for the purpose of discussing international problems, was held on March 8, 9, and 10. It was made possible through the Y. M. C. A. cabinet, with the assistance of the national organization.

A banquet at the College Inn was the first event of this unique conference — unique, because for the first time a group of Latin-American students and professors assembled at an American University to consider problems vitally concerning both parties.

The round-table discussions were one of the features of the meeting. At these sessions the Latin-Americans not only presented the problems and complaints of their individual countries, but also had an opportunity to discuss their relationship with one another. Here too the Bucknell students of Latin-American affairs weighed the evidence for and against America's "interference" in the affairs of the neighbors to the south.

The opportunity which the conference offered to visualize the American Yankee from the Latin-American point of view was of inestimable value. Not only in the formal discussions of the conference but in the various groups in fraternity houses were the outstanding personalities of the Latin representatives in evidence.

#### The Sophomore Cotillion

L'AGENDA

THE Sophomore Cotillion, held in Tustin Gym, Saturday evening, March 23, was featured by C. Lloyd Major and his Merry Musicians. Clever decorations of orchid and yellow added much in making the dance a success.

The committee follows: "Joe" Lewis, chairman; "Eddie" Smalstig, Sigma Alpha Epsilon; "Bill" Waldner, Theta Upsilon Omega; Robert Cooney, Phi Kappa; Helen Mowry, Kappa Delta; "Tommy" MacLeod, Sigma Chi; Adelaide Clark, Zeta Gamma Tau; William Miller, Beta Kappa; Charles Thompson, Non-frat; Merrill Shourds, Phi Kappa Psi; Fred Votaw, Delta Sigma; Clyde Miller, Phi Lambda Theta; Ruth de Turke, Non-sorority; John Anderson, Alpha Chi Mu; Robert Keenan, Kappa Sigma; Mary Gross, Pi Beta Phi; "Betty" Edmunds, Alpha Chi Omega; Helen Jones, Phi Mu; "Chris" Kammire, Phi Gamma Delta; "Tony" Slate, Lambda Chi Alpha; S. Schiro, Sigma Beta Delta; "Betty" Rodenbeck, Tri-Delt; "Jo" Lewis, Kappa Delta Rho.

#### William Pickens

ILLIAM PICKENS, noted negro orator and educator, spoke before an enthusiastic audience which packed Commencement Hall, Monday night, April 16, on "An Economic Interpretation of the Race Problem." Dr. Pickens came to Bucknell under the auspices of the Sociological Society, headed by Professor Clarence Johnson.

Dr. Pickens spoke about his race and its relation with the white race as those relationships depend upon economic conditions. He strengthened his arguments with vivid and vital examples accompanied by subtle and pleasing wit.

#### Inter-Fraternity Dance

L'AGENDA

THE inter-fraternity dance, the first to be held in the history of Bucknell, was held on Friday evening, April 19, in the Tustin Gym. From nine until one the crowd of guests enjoyed dancing to the music of "Whitey" Kauffman and his Victor Recording Orchestra.

· For years an inter-fraternity dance has been dreamed of, talked about, and discussed, but this is actually the first one. It is hoped that from now on it will be an annual affair, with the purpose of promoting more intimate friendships among the Bucknell fraternities.

#### Senior Ball

THE annual formal Senior Ball, held Saturday evening, April 20, in the living room of the new dormitory, was exceedingly delightful in every respect.

The room was decorated with palms and a bank of flowers at the end near the fireplace, where the orchestra was located. Members of the Blue Band once more outdid themselves in their usual rhythmic time, and the very comfortable davenport and chairs placed along the wall were a welcome change from the ordinary camp chair arrangement in the gymnasium.

Due to the small number of senior girls, a number of juniors were invited to be their guests. Professor and Mrs. Martin L. Drum, and Mrs. C. G. Sale were chaperons.

#### Sherwood Eddy

L'AGENDA

HAT Am I?" was the subject chosen by Sherwood Eddy for his forceful and interesting talk to Bucknell students in Commencement Hall.

Mr. Eddy was well received by an enthusiastic student body.

In his talk Mr. Eddy stressed the idea that a student can't build good character by a wave of the hand or a sudden resolution made after leaving college. According to Mr. Eddy, only one student in nine changes the moral direction of his life after he graduates.

Mr. Eddy cited liberty, equality, and mutual understanding, and adjustment on the physical side of life as the cornerstones of a successful marriage.

Sherwood Eddy is particularly well qualified to speak authoritatively on modern world conditions. He has recently returned from conducting his eighth annual tour of representative American writers and speakers who have endeavored to make an impartial study of conditions in Europe.

His recent journeys have included twenty-two countries of Europe and Asia. In England Mr. Eddy personally interviewed Premier Baldwin, Lloyd George, Ramsey MacDonald, and other political and industrial leaders, and in Germany he met with President Hindenburg and representatives of the various parties in the Reichstag.

#### L'AGENDA

HE HOUSE WITH THE TWISTY WINDOWS", a play given jointly by Frill and Frown and Cap and Dagger, was enthusiastically received by an audience that packed Bucknell Hall on Wednesday night, April 17.

Millard Shipman gave a powerful characterization of Charlie Olive, who is imprisoned with a party of English travelers in Petrograd during the "Red Terror". Shipman brilliantly portrayed the lover's frantic fears for Anne Sorrel, Janet Bingham, who, he believes, is being tortured.

The smooth-working staff included Philip Neisser, Blair Hazen, "Betty" Sale, "Betty" Siegfried, and Walter Hopper. The play was admirably coached by Millard Shipman and represented Bucknell dramatics at its best.

"The House with Twisty Windows," as presented by Bucknell, received third place in the dramatic contest at Gettysburg. The play was prepared for this event.

#### Freshman Hop

THE Freshman Hop held in Tustin Gymnasium Friday evening, April 26, proved to be a success for the yearlings who provided the time, place, and circumstances for the "merry making," as advertised. "Mike" Stump, freshman president, reached the dance unmolested by sophomores and his presence added confidence to the yearlings who were allowed the adandonment of their customary rules in celebration of the occasion.

"Nick" Nichols and his collegians with their torrid dance music, and the gymnasium cleverly decorated with Japanese lanterns and a false ceiling of dark blue crepe paper, created a pleasing atmosphere for dancing.

Chaperons at the dance were Dean R. H. Rivenburg, Dean Amelia E. Clark, Mr. and Mrs. M. E. Musser, and Mrs. J. W. Little.

"BETTER PRINTING PAYS"
|| What it Means to You

Years of experience have taught us that good printing stays sold and cheap printing does not.

Throughout our twenty years in the printing business it has been the desire of our organization to make every job good, which means as nearly perfect as possible, whether it be simple commercial printing, direct mail advertising, or a college Annual. Our slogan "Better Printing Pays," means exactly what it says.

## In Conclusion

# L'ACENDA

MOTIONS jostle themselves within us as we end our work on L'Agenda.

A sigh of thankfulness escapes as these last few words are being written.

Slight regrets assail us when we realize that we might have done better.

Joy is ours that the game is ended, and yet there was much that was pleasant in the struggle.

We have toiled diligently. The student lamp has burned through the nights as the book gradually took form. We have striven mightily for accuracy and completeness, and yet there will be errors and omissions. We ask that you will understand and overlook.

We have attempted to introduce new ideas so that L'Agenda might be hand-some as well as adequate. But, like all experiment, the chance must be accepted,—the risk must be taken. We have made the attempt, and with you it remains to judge our success. If successful, we will be happy. If unsuccessful, we but find solace in knowing that we have had the courage to take our chance.

With these words our work on L'Agenda is ended.
